OUR PROMISE TO YOU.

The warranty for your Econic protects you, our customer, against failures in the vehicle caused by manufacturing defects that may have occurred when your vehicle was built. It's our way of showing that we're properly supporting you, your vehicle and your business, right from day one.

How long does the warranty last?

The Mercedes-Benz Econic is backed by a 3 year warranty up to 160,000km provided that vehicle is supplied through an Authorised UK Mercedes-Benz Dealer. The Driveline is further supported up to 250,000km within the 3 year warranty. Replacement parts and major assemblies for the Econic are also backed by a standard 12 month unlimited mileage warranty.

What does the warranty cover?

We'll cover you for any defects in material or workmanship that occur as a result of the vehicle manufacturing process. In this way, we accept responsibility for those items that are ours; but naturally we cannot cover any non-approved modifications, accessories or bodywork applied after the vehicle's manufacture.
